

Celebrating the end of '06 at Coco Bongo Montreal

November 2006 - Montreal, Canada

Coco Bongo is a hot club on the Main. As Montreal gears up towards the biggest New Year's yet, Club Coco Bongo Montreal offers party seekers an unforgettable event. It is known for its wild parties and crazy bar antics. New Years Eve promises not to be an exception to the wild parties at this. Tickets are limited and will be on presale on www.montrealnewyear2007.com.

Club Coco Bongo is inspired by one of Cancun's wildest party venues. The Montreal version brings a hot and wild ambiance to St-Laurent Street also known as the Main. The club is divided into 2 rooms that vibrate to the same beat. A round stair case separates a dance floor from the Main bar and DJ booth. The walls are highlighted with pink neon's in a newly renovated venue. The sound system has been rebuilt from scratch and lasers and lights added to the mix. This allows Hip Hop, R&B and club anthems to shake the room.

Coco Bongo fills up with 700 partiers and service is fast and furious. The club has a bar around every corner. There are five bars with 10 bartenders ensuring that drinks are served up quickly. With a bar around every corner, Coco Bongo is popular due to its fast service and good bartender to client ratio. This Club offers one of the best deals for an open bar in the city. Ticket prices are lower than similar events.

Coco Bongo is expected to draw a large crowd due to its fast service at a low price. Tickets are subject to increase on short notice. All phases on advance brooking is recommended for this event.

New Year's tickets will be available online via www.montrealnewyear2007.com. Providing this service will allow customers to reserve the event online and avoid the last minute price hikes and being left out in the cold.
